The front nine, with its wide fairways and gentle slopes offers you the opportunity to score well, whilst the back nine with its tree lined fairways requires thought and accuracy to maintain a good score.

SIGNATURE HOLE 16

Everything you would expect and more. A difficult uphill drive over water, followed by a testing layup will leave your third shot facing an eighty foot drop to the green.

SIGNATURE HOLE 14

A long, tight, sweeping par 5 that doglegs sharply to the left.

BEECHES

YARDS PAR

From the tee, crafted man-made mounds flank the hole, with the green framed in the middle. There is a stunning backdrop of Dartmoor with 'Sourton Tor' and 'Yes Tor' visible.

With the fairway sloping right to left, a drive down the right side should release to the centre. On the approach to the green, golfers must be aware of a pond on the left side of the hole.

FOOTGOLF

This fun new sport is now available at Ashbury

For those who don't know, FootGolf is played on a golf course, but instead of a golf ball, a football is kicked into custom-made larger holes. Like golf, the object of the game is to complete the course using the fewest possible shots.

We have recently converted our Willows course making it the perfect venue for guests to enjoy this fun and exciting game.

Play in groups of up to 6 on your next visit, completely free of charge, whilst taking in breathtaking views of Dartmoor.

The Ashbury Resort was proud to be named home of the FootGolf English Open in 2023, welcoming players from across the globe to compete in this prestigious event. We look forward to hosting many more foot golf events in 2024 and beyond.
